

Tips Checklist

Daily Habits to Reduce Waste

01. Use a reusable water bottle instead of plastic bottles.
02. Bring your own bags when shopping.
03. Avoid products with excessive packaging.
04. Compost food scraps at home.
05. Buy second-hand or recycled products.
06. Separate waste every day, not just on collection day.
07. Share recycling tips with your neighbors.
08. Report broken recycling bins to local authorities.
09. Reduce food waste by planning your meals.
10. Say no to single-use plastics (straws, cutlery, plates).
